

NOTICE TO BUSINESSES

SERRAMONTE BOULEVARD (EAST) SLURRY SEAL PROJECT

JUNE 1, 2010

Dear Business Owner:

Serramonte Boulevard (East) Slurry Seal Project is scheduled for construction starting June 9th, 2010.

The scope of work under this project includes repairing and reconstructing the damaged pavement sections, slurry seal, and restriping pavement on Serramonte Boulevard between El Camino Real and Hillside Boulevard.

Construction is expected to be completed by July 9th, 2010.

At least one lane of traffic will be open at all times during construction. All efforts will be made to minimize disruption of traffic movement and ingress and egress from the businesses during construction.

The Town will provide periodic updates on the progress of this project via Livewire and the Town website – www.colma.ca.gov.

Thank you in advance for your understanding and patience. If we can answer any questions or concerns that you may have now or in the future, please feel free to call 650.757.8888 or write public.works@colma.ca.gov.

**Sincerely,
The Town of Colma Public Works and Engineering Department**
